**MEMORANDUM FOR THE EXECUTIVE DIRECTOR**

**Subject:** Army Member for ICAPS

25X1A9a

1. Is there any news about a new Army representative on ICAPS to replace [REDACTED]?
2. If it should be decided to increase ICAPS liaison functions as suggested in a memo of 25 March 1948 regarding the proposed procedures of the IAC Standing Committee, it will be especially important that we have a representative from each agency in ICAPS.
